FINANCIAL EDUCATION & NETWORKING IN PHOENIX, AZ

Who We Are

The Phoenix CEO-CFO Group was founded in 2005 by a few Phoenix CEOs with a mission to provide value added education & networking for top C-Level executives.

Providing a forum for executives to exchange ideas, discover new opportunities and establish and strengthen relationship at the C-Level.

The Phoenix CEO-CFO group has grown over the last 4 years from a handful of area business executives to a membership of nearly 2,500 C-Level executives from the areas top industries. We have created a network for executives to build business and expand markets.

The power of the Phoenix CEO-CFO Group is in the professionalism and integrity of our members and their ability to make decisions.

How Are We Different?

The Phoenix CEO-CFO Group has Decision Makers. By attracting and requiring only C-Level Executives as members and guests, we place only the Decision Makers together in one place to get your message across.
